## **NOTE TO USERS**

# NI 66xx Pinout Labels for the SCB-68

Counter/Timer Modules/Devices Using the 68-Pin Shielded Connector Block

If you are using an NI 66xx (formerly referred to as TIO) counter/timer device or module with the SCB-68, you can print and attach a connector-specific pinout label to the cover of the connector block for easy connection reference. This document provides labels for the following models:

- NI 6601
- NI 6602
- NI 6608
- NI 6612
- NI 6614

Use the following label if you are connecting the SCB-68 to NI 6601, NI 6602, and NI 6608 models.

Figure 1. NI 660x
